

EXECUTIVE ACCOMMODATION PREFERENCES

Prime Location Lets carried out a survey to discover your thoughts and preferences when it comes to business accommodation. Their findings are summarised below.

44 Respondents

Average age: **26-35**

Most popular job role: **Owner/Founder**

Most popular job sector: **Technology Sector**

The survey reveals that those working in the technology sector are, on average, younger than those who own a business.

Business Travel

How much would you estimate your organization spends on travel and accommodation per annum?

Sectors that spend the most on travel

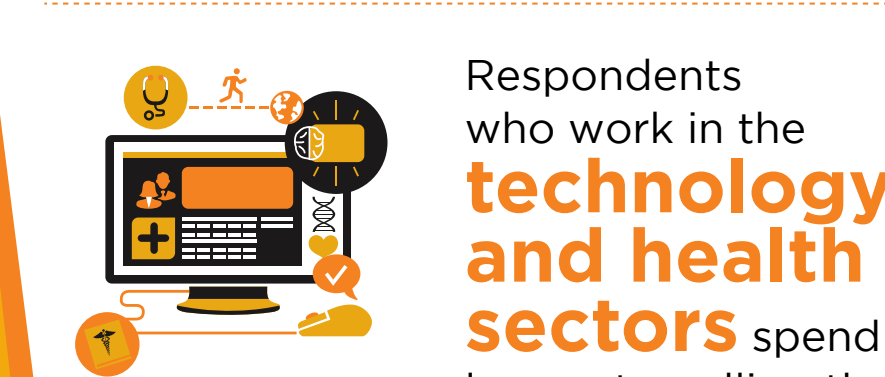

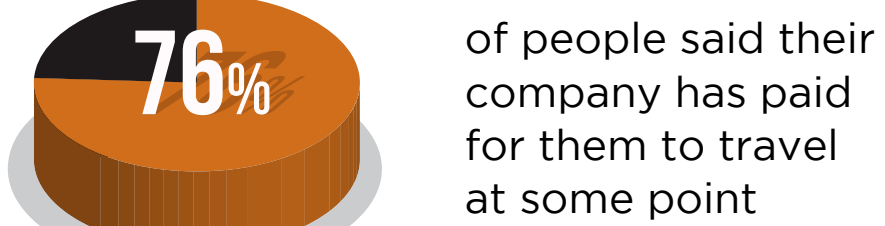

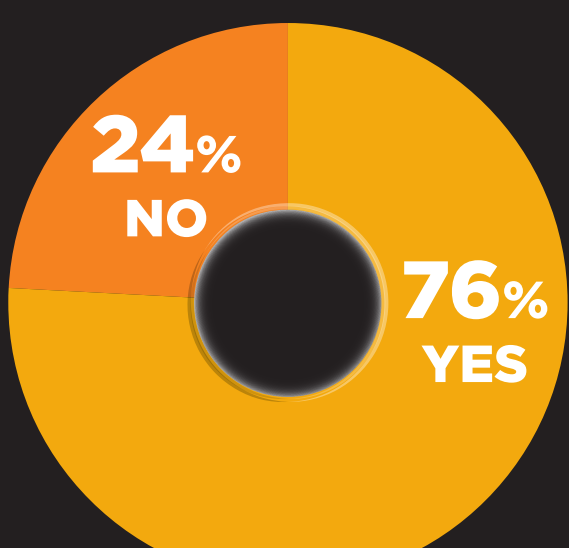

Sectors that spend the least on travel

Travelling Expenses

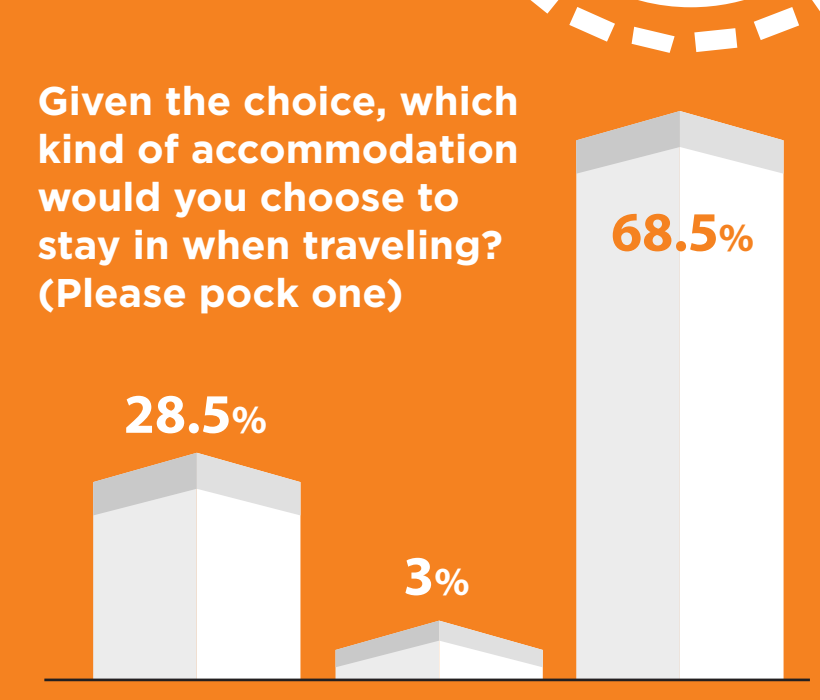

Have the company you worked for ever paid for you to travel? (For client meetings, exhibits, conferences etc.)

Answered: 38 Skipped: 6

Accommodation

Those who travel for over five days are more likely to stay on location than those who travel for shorter bursts.

Nearly 70% of respondents said that they would prefer to stay in a serviced apartment.

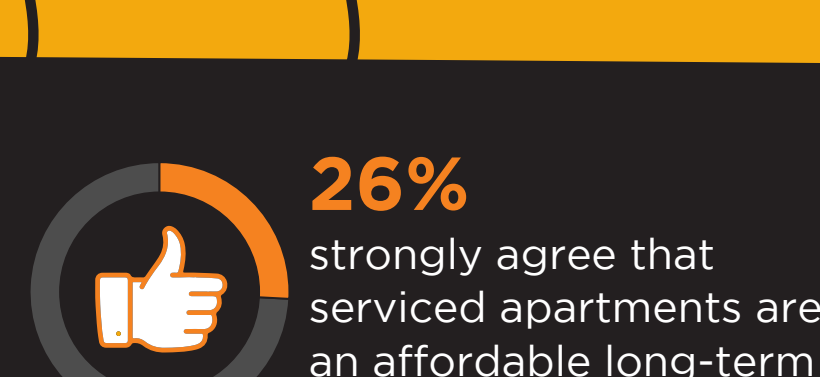

Why?

Comfort & Positive Past Experiences

Affordability

	Hotel	B&B	Serviced Apartment
Affordable overnight accommodation?	Yes	Yes	No
Affordable long-term accommodation	No	Yes	Yes
