BONUSES IN THE UK

You might be a curious rookie transitioning from free games to real money, or a seasoned high roller looking for a better deal, or you simply love online casinos. We have put together a list of the best online casino bonuses offered in the UK

THE DIFFERENT TYPES OF BONUS

No Deposit bonus

Sign up at a casino and you'll get free casino credits, without having to put any money down.

Free play bonus

Similar to the No-deposit bonus, free play gets you free casino credits without making a deposit. You'll get more credits to play with; however the time limitation is much shorter.

Free Spins

You get a number of free spins to play on slots

Welcome bonus

Also called sign-up bonus that is offered to a new player to get extra cash for a better taste of all the casino's offerings.

High Roller bonus

Lower matching percentage, but have a higher limitation to the actual amount you can claim.

Re-load bonus

Reward you for continuing to deposit at the casino.

Mobile Casino bonus

A onetime bonus just for playing on your phone or tablet.

Live casino bonus

Normally a one-time offer for those who love table games and enjoy the thrill of a live dealer.

Cash back

Cash back offers will give you at least part of your money back if you don't win.

Referral bonus

Bonus for referring a friend.

Comp Points / VIP Club

Loyalty program where you get points for your wagers, and sometimes also for your deposits.
