

Style Tips

From the Best TV Weddings

TV weddings are full of glitz, glam, and drama!

Take thee, Emily

Take thee, Rachel

You may want to skip the "big oops" moments...

... like Ross saying the wrong name at his wedding.

HOWEVER, WHO SAYS YOU CAN'T STEAL SOME OF THE BEST STYLE TIPS FROM TV?

Flowers Everywhere

Style Tip #1:

Brennan and Booth in *Bones* Season 9, Episode 5

Down the aisle, around the wedding arch, in your hair, flowers should be the main decor!

Make a Grand Entrance

Style Tip #2:

Mary and Matthew in *Downton Abbey*

Season 3, Episode 1

Whether a long aisle or a giant staircase, you want draws to drop when they see the bride.

Involve Close Friends In Everything

Style Tip #3:

Bernadette and Howard

in *Big Bang Theory* Season 5, Episode 20

Why have a stranger officiate your wedding? Choose close friends!

Brittany and Santana/Blaine and Kurt in *Glee* Season 6, Episode 8

This isn't for everyone, but for the couple that feels like they want to share their special day with another couple—why not a double wedding?

In fact, many couples like to share their wedding with a close family member to help save on cost!

Backyard Chic

Style Tip #4:

Marnie and Desi in *Girls* Season 5, Episode 1

A boho dress and flower crown are all you need to complement this East Coast backyard look.

Go Full Glam

Style Tip #5:

Serena and Dan in *Gossip Girl*

Season 6, Episode 10

Look like a rockstar with a designer gown (and diamonds to match!).

Save money on the guest list (there were only 10 people at Serena and Dan's wedding...) to splurge on the gown!
