02

### Wobble Chairs

These innovative chairs will turn fidgeting into a good thing! Little witches and wizards will be swaying to their heart's content even without their broomsticks.

This wobble chair means they don't ever have to sit still!

Whether it is listening, reading, writing or even playing a game, wobble chairs allow kids to release their energy in a non-disruptive way.

Available in 4 sizes: 10", 12", 14", 18"

## Quidditch Training (Gym) Furniture

High in the sky in Potterland or down on the ground in muggle world, Quidditch players have two things in common - oval pitches and broomsticks!

But there are differences, too:

The wizarding pitch is 500 ft by 180 ft, the muggle one is 144 ft by 90 ft.

Flying Quidditch has hoops of 30ft, 40 ft and 50ft; muggle quidditch hoops are at 3ft, 4.5ft and 6ft.

### Phenolic Lockers

Non-porous material that protects against: mold, mildew, bacteria.

The wet grass from the Quidditch pitch doesn't stand a chance.

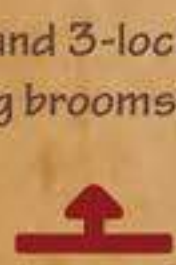

Available sizes:

1 TIER 2 TIER STACKED 2 TIER 'Z' 6 TIER

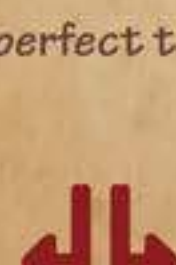

ALL ARE 72" HIGH

### Stainless Steel Lockers

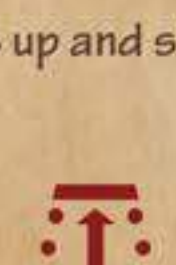

Tall and 3-lockers wide - perfect to hang robes up and store flying broomsticks!

HEIGHT: 72"

WIDTH: 18"

DEPTH: 18"

HAT SHELF INCLUDED

\*Hogwarts. Other schools may offer different subjects.
