

Dear Friend,

I'm glad we had a chance to meet, because this will be one of the most important pieces of information you will hear all year. I know where you are right now in your life, and I just want to tell you that you're not alone.

Just a few short years ago I "tried" over 300 products online. My desktop on my laptop was filled with dozens of ebooks, and push button software programs. I spent my hard earned savings on expensive coaching programs that left me more confused when the coaching ended.

Working at a warehouse for 10 to 12 hours per day left little time for me to venture off in the internet marketing world. I only had 2 hours per day to actually do any work online, so my time had to be diligently spent.

However....

I KEPT BUYING INTO BROKEN SYSTEMS, AND WAS GOING NO

Most people would have already given up on making money online, but I had a strong reason why I wanted to make this "Make Money Online" thing work.

See most people don't have a strong desire to succeed. I wanted to succeed more than I wanted to breathe. I knew that this road I was on was as long as the Mississippi River, but I WASN'T GOING TO GIVE UP..

here is why....

I PROMISED MY SON THAT I WOULD DO WHATEVER IT TOOK TO COME BACK, AND SEE HIM IN HAWAII

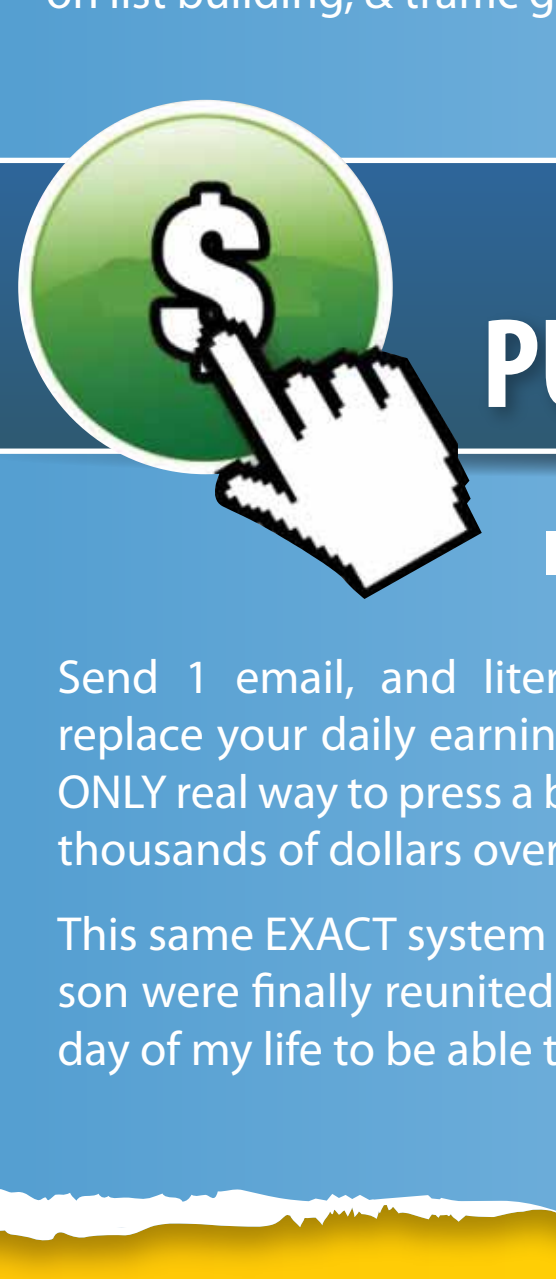

Me, and my Ex-wife split up, so I don't get to see my son due to me having to move back into my dad's house on the mainland.

oh friend...

This was the lowest point in my ENTIRE life, but there was no time to sit, and soak in my sorrows. I literally hit the ground running towards my goal to see my son again.

Fast Forward 2 Years, And I Finally Found The Secret To

Listbuilding...

All of a sudden all my objectives changed, and I focused solely on list building tactics. I stopped buying hyped up push button b.s programs, and only spent money on list building, & traffic generation programs.

I FOUND THE REAL PUSH BUTTON CASH COW!

I'm talking about email marketing...

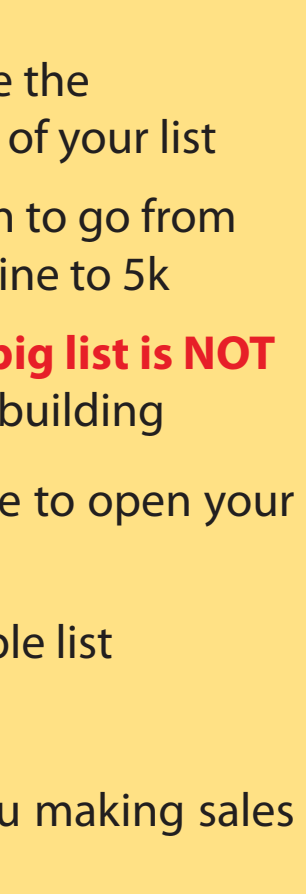

Send 1 email, and literally create enough cash to replace your daily earnings at your day job. This is the ONLY real way to press a button, and make hundreds of thousands of dollars overnight.

This same EXACT system is the reason why me, and my son were finally reunited in Hawaii. It was the greatest day of my life to be able to see him again.

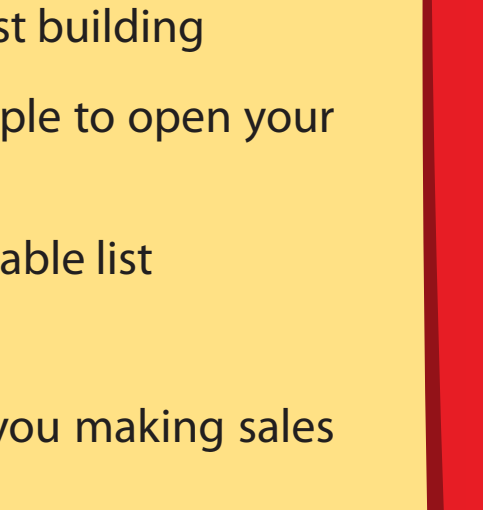

NOW IT'S TIME FOR YOU TO LIVE THE DREAM FRIEND!

Get your hands on the **EXACT** same blueprint that helped me an **"EX Overnight Stockworker Driver & Single Father"** **Make \$13,914 In Just 21 Days with 30 minutes per day!**

This blueprint **GENERATED 5,644 RED HOT LEADS** in a stunning **21 day period** in a NICHE that's booming!

Since I have done this with multiple programs online by the time of writing my life story on this very personal website page, I decided why don't I open the doors to my SECRET formula, so I could help people just like me succeed quicker than I did.

DOES THIS BLUEPRINT WORK WITH ANY OFFER???....

Yes, Here is what happened when in the early stages of the creation of this blueprint. **I made \$37,662.91 in 8 months** using the same blueprint presented before you, so this blueprint works with any affiliate offer!

I knew that the only way that I could do this was to actually do it from scratch, and document my success along the way. Honestly, I devoted 21 days of my life to document how someone can build a list of **2,644 leads**, and generate **\$4,914.58** from scratch with no list.

This gave birth to....

If Your Serious About Making This Work Listen Up..

A very close friend of mine was given the blueprint I created, and used it for a test run. He made \$1,000 in 10 days just following 35% of the things I teach inside of the blueprint. He said dude please don't sell this as a product, because you can flood the market.

Bad news....

He is right if this blueprint gets in too many hands it will become watered down, and over used. It's the same thing with fresh brand spanking new programs that come out on a regular basis.

The more people that use the program, then the less sales everybody makes as the program gets saturated.

so.....

Since I know that this will become saturated if I let too many people in the door, I decided to only give you 7 days to make a confirmed decision to buy my blueprint. After 7 days you will NOT be able to access this page EVER AGAIN, and you will have to pay \$97 to get the blueprint.

SO TAKE ACTION NOW BEFORE IT'S TOO LATE!

SEE This Blueprint Was Created For People Just Like You To Succeed Online And Follow A Proven Path "No More Buying Over Hyped Trash"

TAKE ACTION IMMEDIATELY!

This isn't another one of those programs your going to just stuff on the shelf to collect dust. Take action immediately with the action steps videos inside the members area.

HOW SOON CAN I MAKE MONEY?

Many of our members have made there first sale within **24 hours** of using the "List Building" blueprint. I have also seen it take as much as **36 hours** to get there first sale.
