

THE TOP 20 FOR 2020

KITCHEN DESIGN TRENDS

FOR NOW AND TO COME

The powers-that-be have released the "what's hot and what's not" reports for the coming year and what we're seeing is sensational!

01 OPEN DESIGNS

The kitchen is becoming even more integrated with the décor of the surrounding spaces.

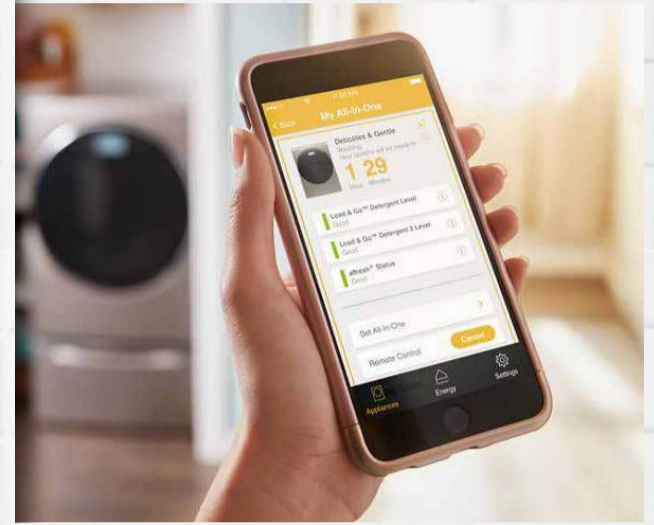

02 INDUCTION COOKING

The cooktops of 2020 and beyond are as unobtrusive as possible.

03 TECHNOLOGY THAT ROCKS

New Smart Appliances by Whirlpool allow you to use the touchscreen, voice control or control.

04 NEW APPLIANCE COLORS

Whirlpool is in the news this year with Fingerprint-Resistant Sunset Bronze.

05 INTEGRATED APPLIANCES

Integrating our appliances are about to amp up.

06 ISLANDS THAT ARE ON THE LEVEL

A part of the open layout will be single level kitchen islands.

07 MARBLE

We are going to see marble make a comeback in a big way.

08 BACKSPASHES GO LONG

We're going to see them run up the wall to the ceiling.

09 THE TREND IS LOOKING UP

This year the ceiling is finally going to get the attention it so richly deserves.

10 BLACK IS BACK

Black is back and it's hot in kitchen hardware.

11 BRASS

It's softer now and we're going to see it aged and antiqued.

12 DRAWERS ARE IN THE SPOTLIGHT

In 2020 they will replace upper cabinets to keep the kitchen wide open to other rooms.

13 WOOD FLOORS... KIND OF

Vinyl and ceramic planks are gaining in popularity.

14 WHITE CABINETS

We will see mixed cabinet colors with white being one of them.

15 CABINET COLORS

Gray will continue to take kitchens over the top. Blue is expected to be a hot color in 2020.

16 TOP PICKS IN PAINT COLOR FOR 2020

Very rich, earthy hues will serve as the perfect backdrop to painted cabinets or on an accent piece.

17 HOT FAUCET TRENDS

Matte black will be one of the most exciting trends for faucets in 2020.

18 LIGHTING TRENDS

We're looking at chandelier pendants in black metals with crystal accents.
